

OKLAHOMA STATE REGENTS FOR HIGHER EDUCATION

Improving our future by degrees

March 22, 2010

TO: The State System Presidents

Dear Presidents:

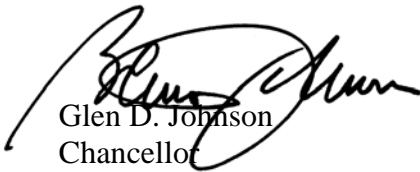

Re: One-time allocation of supplemental appropriations for FY10

In the meeting of March 11, 2010, the Oklahoma State Regents for Higher Education approved the allocation of supplemental appropriations as authorized in House Bill 2355 to offset the state revenue shortfall you are currently experiencing. Your institutional allocation, as outlined on the attached schedule, will be electronically transferred to your 290 Fund from the designated revenue sources as authorized by the legislature and approved by the State Regents.

The allocation will be transferred from two different source funds in equal one-half amounts; thus you will receive two different postings into your 290 fund for this purpose, resulting in a combined total deposit in the amount listed on the attached schedule.

If additional information is needed, please contact our office.

Sincerely,

Glen D. Johnson
Chancellor
