The Oklahoma State Auditor and Inspector's Office (SAI) is a government agency independently serving the citizens of Oklahoma by promoting the accountability and fiscal integrity of government funds. SAI is seeking a full time, unclassified Cost Accountant for our Finance Division in Oklahoma City.

The Cost Accountant performs professional cost accounting work; examines, analyzes and verifies cost records and reports; prepares financial reports; advises and provides information on cost accounting practices and procedures; assists in the design, development and evaluation of workflow processes for the audit costing system; and performs related work as required.

The position requires a bachelor's degree in accounting or a closely related field, and/or two (2) years of professional accounting experience. The position also requires knowledge of accepted accounting practices and principles. A working knowledge of governmental accounting is desirable.

The successful candidate must be self-directed with the ability to work independently or as a member of the team. Must be an effective communicator possessing strong analytical, technical, and organizational skills with strict attention to detail and accuracy.

We offer a competitive salary commensurate with education and experience and comprehensive state benefits.

Preference may be given for CPA or CGFM certifications and to candidates with PeopleSoft experience.

SAI is an Equal Opportunity Employer. Reasonable accommodation to individuals with disabilities may be provided upon request.
