Re: Approval of Tuition and Fees

At their meeting on June 27, 2024, the State Regents took official action on institutional requests for tuition and mandatory fees for resident and nonresident undergraduate, graduate, and professional programs as well as the guaranteed tuition rates for Fiscal Year 2025. Additionally, the State Regents approved requests for changes to academic services fees for Fiscal Year 2025.

The Oklahoma State Regents for Higher Education's staff will review institutions' published tuition and fee schedules to verify congruence with the State Regents' action. Enclosed are copies of the approved tuition, mandatory fees and changes to academic service fees for your institution.
