Hi. I'm Kate.

I work at Ferro Alumni Center in Alumni Relations and I've been your senior class advisor this year (I'm sure you're sick of my e-mails).

I need your help.

In order for Ferro Alumni Center to be a resource for you after graduation, we need some basic information about what your career plans are. We also want to use this information to help promote your program to future students.

If you have a plan for after graduation: great! We're excited for you!

If you're not sure: no worries. Let us know where you're at and what we can do.

The Basics:

Name: _____

Permanent Mailing address:

Permanant E-mail address (not your @maine.edu):

Phone number: _____
