EvaluationKIT Mobile App

Mobile Survey Taking: Students can access their course evaluations and surveys directly from their mobile devices with iPhone and Android apps. Users can search for the *EvaluationKIT Mobile App* in the *App Store* or *Google Play*, and download the app.

After downloading the app to your iPhone or Android, tap on the app to open
Enter the *Mobile User Token* sent to your EOSC email to authenticate the *EvaluationKIT Mobile App*

Tap the home screen to see the course(s) for which you are to complete an evaluation(s).

In the example to the right, you see that for the first class, the evaluation is already submitted and that there are three left to be completed.

Simply tap on the class to begin the evaluation

After tapping on the course, you see the survey question, tap on your response, then tap the *Next* navigation button at the bottom.

If a question requires you to type text, tap the text box and type your response.

When you complete the last survey question, you will be asked to confirm that you would like to submit your response for the course and instructor. Click *Submit* to confirm. Then click *Submit* to finalize the submission of the evaluation responses.

If you have any questions or concerns, please contact Katharyn Tackett at 918-465-1754 or ktackett@eosc.edu
