

# EOSC BOOK CLUB

## Reading with an International Flavor

Dear Members of the EOSC Community:

For April the EOSC Book Club is doing something out of the ordinary. The international students and staff here at EOSC are going to prepare a typical dish from their country of origin and discuss their country's customs and culture.

So, in addition to discussing books written by international authors, this will be a great opportunity to immerse yourself in a foreign culture and taste some international cuisine.

The EOSC Library looks forward to seeing you at our April Book Club meeting which we have titled **Reading with an International Flavor**. Please be sure to join us for what is certain to be a memorable evening and a wonderful learning opportunity.
