BALLROOM

FEATURING
ALASKA & MADI
AS SEEN ON "THE VOICE"

OPENING ACTS: OKLAHOMA KIDS & EASTERN EXPRESSIONS

PERFORMING ARTS SERIES

The Music Department at Eastern Oklahoma State College has been in existence for nearly 100 years. It is the only area music program offering degrees in music (vocal, instrumental, or piano), and is one of only a few institutions in the state with opportunities for students to explore popular music. The EOSC Music Department is perfect for serious musicians or for those just looking to enrich their musical background. In addition to music theory courses, and lessons for all instruments, the campus offers the following ensembles: College Choir, College Band, and the Eastern Expressions, Eastern's very own rock band.

The Performing Arts Series was established to ensure the continued existence of the Music Department through raising funds for student scholarships and departmental needs. This is especially important as education spending is being cut at the state level. One hundred percent of your purchase will directly support current and future students in the program. Thank you in advance for your support!

GUEST ARTIST: ALASKA & MADI

This year's guest artist is the country music duo Alaska & Madi. The Tulsa natives took the nation by storm after appearing on the 6th season of NBC's *The Voice*. They were coached by country music superstar Blake Shelton on the show, and used their newfound stardom to catapult themselves into Nashville, where they are currently performing.

The Eastern Expressions and Oklahoma Kids will open for Alaska & Madi. The Eastern Expressions, started in 2014, is Eastern's student-led rock band that performs hits from today's most popular music. Oklahoma Kids is a music organization open to performers 18 and younger, and is known for its focus on preparing young musicians for careers in the entertainment industry.

This is a family friendly event and **all ages are welcome**. An **appetizer bar** is included with every ticket purchase! In addition, those who purchase a Backstage Pass will enjoy a casual, **three-course meal** at 5 p.m. in the President's Dining Room, with a private meet-and-greet and mini concert featuring Alaska & Madi!
