

Sometimes you just need a new Outlook.[®]

Change your Outlook to just One. Hosted Exchange - Powered By OneNet

OneNet, Oklahoma's official telecommunications network for education, government and research, provides the necessary administrative support to make hosted exchange a valuable communication tool for your organization. Options such as Inbox, Calendar and Tasks will enhance efficiency and communication while OneNet eliminates the challenges of system administration.

IMPLEMENTATION

Although you have the power to add and remove users and reset passwords, OneNet manages the majority of administrative issues that can be cumbersome for many organizations. OneNet oversees server and hardware issues, including system updates, alleviating any maintenance concerns.

PROTECTION

Lost information or a damaging virus - these are concerns for any organization. OneNet offers a high level of security to ensure your information is protected by archiving your data daily. Also, OneNet provides virus protection to combat the frequent assaults of viruses on your network.

COLLABORATION

Coordinating schedules and simultaneously managing projects have become regular tasks in today's workplace. OneNet's hosted exchange program offers group calendaring which allows staff to schedule meetings by easily viewing the availability of co-workers. It is simple to check your schedule from anywhere by downloading your calendar to your PDA. Also, e-mail is available through Outlook or through your Internet browser which allows you to check your e-mail from remote locations.

Change your outlook. Sign up today for OneNet's hosted exchange. For more information and pricing:
