

Grant Funding Seminar

Learn How to Use Grant Funding to Upgrade, Secure and Expand Your Network. These Funds are Available. Learn How to Claim Them.

At this seminar you will:

- Learn how to get the funding you need to implement solutions that will make your jurisdiction more secure, resilient, and scalable.
- Hear from Public Sector experts who have experience working with Local Government customers to procure grant funding.
- Hear about grant proposal success stories and tactics that work.
- Leave with action items and tools to help you get started with pursuing these funds.

Guest Speaker:

You will have the opportunity to hear from our Grants Office experts as they share with you valuable information that can help you “connect the dots” to real life solutions available for your business.

Grants Office, LLC makes municipalities, nonprofit, and industry partners more successful at obtaining grant funds from government and private sector sources. Its Web database at www.grantsoffice.com is updated daily with current grants information and news, and the Grants Office team of Grants Development Consultants provides support to a growing national clientele.
