

CISCO SYSTEMS

GOVERNMENT NETWORK EXPRESS

The Cisco Government Network Express is coming your way—it's ready to roll! It will start its tour across the country visiting major cities, customer locations and military installations. The Government Network Express, dedicated to both our Federal and Public Sector customers, is fully equipped with Cisco's Advanced Technologies providing leading-edge solutions that specifically address the government's business needs. We will be demonstrating essential technologies that impact government business, making it more effective and efficient. Tour our network express and see for yourself what sets Cisco apart.
