TO ENSURE EVERYONE'S SAFETY WE

- ◇ All employees will pass a health check or complete a health survey prior to each shift.
- ◇ All machines and classes will comply with the appropriate social distancing guidelines.
- ◇ Hand sanitizer or hand washing stations will be available to all customers and employees.
- ◇ We will clean and sanitize common areas and surfaces regularly.
- ◇ We will clean and sanitize each machine area after every use.
- ◇ We will clearly post signage at our entrances and throughout the facility so everyone understands the steps we must all take to keep our communities safe.
- ◇ All employees will wear cloth face covering or masks while serving customers.

WE ASK FOR YOUR PLEDGE

If you have been exposed to COVID-19 recently or have symptoms of COVID-19 including a fever, cough, or shortness of breath, please help us keep everyone safe by staying home.

- ◇ According to the CDC, older adults and people of any age who have serious underlying medical conditions are at higher risk for severe illness from COVID-19. If you are among the more vulnerable population, we strongly recommend for you to use virtual workout options at home.
 - ◇ You agree to follow the social distancing and sanitary guidelines that have been put in place to protect you, our staff and other guests.
 - ◇ You pledge to sanitize your hands and each machine after use.
