OUR MISSION

To serve Ponca City & its citizens by promoting quality of life through the revitalization of downtown.

Guided by Main Street America and the Oklahoma Main Street Center, Ponca City Main Street uses our Mission and Vision to guide the actions of our program. In 2020, PCMS adopted Transformation Strategies that provide clear guidance for how communities will fulfill their vision, advance their mission, strategically focus their tactics, and achieve their goals. Ultimately, the strategies help ensure activities in each of the 4 points are focused on the same outcomes.

OUR VISION

To make downtown the HEART of the community!

COMMITTEE PROJECTS

The Main Street approach is a proven framework & has guided the revitalization of thousands of downtowns across the nation for the last forty years. Main Street America found the key to revitalizing downtown was to approach the district's problems and opportunities in a comprehensive manner, working simultaneously in four broad areas called the "Four Points". Our Committees represent the four points. The volunteers on these committees are responsible for much of the work of Ponca City Main Street. Below are the committees and their respective annual projects.

Ponca City Main Street created Ponca City Marketplace to help connect buyers to local Ponca City businesses. With the rise of marketplaces like Amazon & Etsy, it's no secret that these online shops are the most vibrant segment of the ever-growing world of e-commerce. We want to give local businesses a chance to be a part of a similar platform! This project has been a partnership between PCMS, the Ponca City Development Authority, and My Media Matters.
