CALL FOR PRESENTATION PROPOSALS

MAKING CONNECTIONS THAT COUNT

The Oklahoma Academic Advising Association Steering Committee invites you to submit a presentation proposal for the Spring 2015 State Conference. We have two time lengths available for presentations - some at 50 minutes in length, and some at 75 minutes. Please indicate your preference on the second page. Presenters are encouraged to use multimedia technology and interactive strategies to share their knowledge and best practices with academic advisors from across the spectrum of higher education institutions in Oklahoma.

For this conference, our theme is
“Student Success, Persistence, and Graduation”

Applicable topics could include:

Helping students create pathways towards graduation
Celebrating student milestones
Support efforts to help students reach milestones
Assessing student success and/or retention efforts

This would be an *excellent* opportunity to team up with your institution’s student support network for presentations in these areas.

Please note:

- All presenters must register for the conference so we can determine the appropriate food count. OACADA will waive the conference registration fee for the Lead Presenter only.
- Presenters must arrive to locale 30 minutes prior to presentation (if not attending the conference all day).
- Presenters are responsible for providing all copies and handouts for presentations. OACADA will provide the space and necessary electronics.

Proposals must be sent to:

Lisa Will (lwill@uco.edu) and Holly Thomas (hthomas@ou.edu)

Proposals are due by January 30, 2015.
