

Welcome to our new President-Elect Mr. Christopher Jeffries

Hello! I am very excited about this opportunity and I look forward to serving the advising community to the best of my ability

Here are a few things about myself. Ten are true and one is a lie....

1. I was born and raised in Oklahoma, so it is the only home I know.
2. I love spending time with my friends and family. I have an older brother, Jeris, and younger sister, Brianna. I'm also the uncle to my nephew (born this week) and two nieces. My parents are my role models. They are both teachers, thus, I have appreciated educators my entire life.
3. When it comes to food, I am a fan of most; however, I love good BBQ!
4. I am a huge basketball fan. OKC Thunder!
5. In high school, I won "BEST LAUGH," so I laugh whenever I can.
6. I have won a dance contest (see photo hint)
7. One of my biggest hobbies is watching movies. My favorite genre is superhero/action and my least favorite is horror.
8. I have 2 birth certificates.
9. My fiancé and I have two cats.
10. I am a member of a competitive Jenga team and have competed nationally.
11. My first time on a plane was in college. Now I love to travel!
