

OACADA

2017-2018

MESSAGE FROM OUR PRESIDENT:
CHRIS JEFFRIES

Hello OACADA Community!

As some of you may have heard, we are not having a spring 2018 conference. The Steering Committee deliberated on this for a long time, but ultimately, we decided that it would be best to give OACADA a reboot. There are several initiatives that we want to accomplish and the best way to do this is to free up some planning time. Here are some of the initiatives we would like to accomplish over the next academic year:

1. School Outreach--Making contact with those institutions that have not been involved with OACADA over the past few years.
2. Social Media Update
 - Website update (possible need for web designers-- more information to follow).
 - Creation of a new OACADA logo. Please email Jana Jacobs at Jana@ou.edu with your logo samples no later than April 23rd.
3. Spring Conference format--reassessment of our advising community needs and the spring timeframe.

There are many other initiatives; however, these are the most pressing. If you have any questions or would like to know how to get involved with OACADA, please email me at cjeffries@ou.edu

I hope that we are able to improve upon an already outstanding advising community, and wish everyone the best as they begin aiding their students for fall 2018.

Best Wishes,
Chris
