Presidents of Institutions

Dear Presidents:

Re: Approval of Revisions to the *In-state/Out-of-State Status of Enrolled Students* policy

At their June 24, 2022 meeting, the State Regents approved revisions to the *In-state/Out-of-State Status of Enrolled Students* policy.

Prompted by changes made in the 2022 legislative session to 70 O.S. 2021, Section 3247, which governs which members of the uniformed services are entitled to in-state status, the policy revisions include:

- Add members of the uniformed services who were stationed in Oklahoma for at least one year in the previous ten years, along with the member's spouse and/or dependents, to the list of enrolled students entitled to in-state status (House Bill 1800);
- Increase the length of time that members of the uniformed services who are discharged or released from active service after a period of at least 90 days are entitled to in-state status from five to ten years, including their spouses and dependents (House Bill 1800); and
- Add current members of the Oklahoma National Guard to the list of enrolled students entitled to in-state status (Senate Bill 1416).

Attached are the June 23, 2022 agenda item and an updated policy.

If you have questions regarding these revisions, please contact Dr. Kyle Foster at kfoster@osrhe.edu or 405-225-9163.

Sincerely,

Debbie Blanke
