OKLAHOMA MOMENTUM YEAR WEBINAR SERIES

In conjunction with the Momentum Year Summit, the Oklahoma State Regents for Higher Education (OSRHE) invite campus representatives to participate in five webinars focused around the Complete College America (CCA) college completion strategies. These CCA strategies focus on ways institutions of higher education work with students to guide them on a path to achieve their educational goals, including successful degree completion and on-time graduation. Institutional faculty and student support staff are encouraged to attend.
