

SUBMISSION DEADLINE: MARCH 1, 2012

Research Opportunity Awards

About ROA Funding

ROA awards provide regional university faculty members from primarily undergraduate institutions in Oklahoma with the opportunity to perform research at one of Oklahoma's comprehensive research campuses (OU, OSU, TU, Noble Foundation) during the summer months. ROAs enhance regional faculty members' personal research experiences, while also supporting the development of ongoing collaborations with faculty at the comprehensive research campuses. These collaborations expand and enhance research efforts across the state.

BUDGET

- Maximum allowable budget of individual awards is \$10,000
- Budget may be used for summer salary of the regional university faculty member and lab supplies of the sponsoring institution
- If IDC is included in the proposal, it will be deducted from the award amount

TYPES OF RESEARCH FUNDED

- Award preference will be given to research proposals in the BIOENERGY RESEARCH field
- Areas of STEM research other than bioenergy will be considered
- Medical research does not qualify for funding through this program
