

Broader Impacts Workshop

COLLEGE OF
Education

Thursday, May 9, 2013

010 Willard Hall at OSU
9:00 a.m. to 3:00 p.m.

Hosted by the Center for Research on STEM Teaching & Learning (CRSTL)

This workshop will help researchers address the broader impacts merit criteria required by the US government (NSF, NIH, NASA, DOD, DARPA) and other funding agencies.

This is a free event, but you must register to attend.
Lunch will be provided.

[Click here to register](#)

Learn from science educators who have collaborated with researchers to develop funded outreach efforts.

Keynote Speakers

Gillian Roehrig, STEM Education Center Co-Director at the University of Minnesota

Stephanie Hathcock, Ph.D. candidate in Curriculum & Instruction at Old Dominion University.

Learn more about the keynote speakers [here](#).

This event is supported by:

Dr. Stephen McKeever, Vice President for Research & Technology Transfer

Dr. Bret Danilowicz, Dean of the College of Arts & Sciences

Dr. Paul Tikalsky, Dean of the College of Engineering, Architecture & Technology

Dr. Pamela Sissi Carroll, Dean of the College of Education

Dr. Jerry Malayer, State Program Director of Oklahoma EPSCoR
