

2013 Oklahoma Technology Showcase

Interested in learning about innovative technologies from Oklahoma entrepreneurs?
The 2013 Oklahoma Technology Showcase will feature tomorrow's technology today.

What: The showcase will feature 10 innovative Oklahoma companies presenting tomorrow's technology today. Additionally, there will be a special presentation on the Small Business Innovative Research (SBIR) federal funding program where participants will hear from managers of this \$2.5 billion opportunity. A special showcase will feature some of the best and brightest young minds from the OCAST Intern Partnership Program. Lunch and an evening reception are provided along with ample opportunity to network with investors, manufacturers, and private and federal purchasing managers.

Presenting Companies:	ATC New Technologies	CleanNG	COARE Biotechnology	Flatturf	HAUS Bioceuticals
	IMMY	MIRATECH	ShinyaTech	Tactical Electronics	True Digital Security

When: August 23, 2013 8:00 am to 6:00 pm (see agenda for details)

Where: Northeastern State University—Broken Arrow Campus, 3100 E New Orleans St., Broken Arrow, OK
