

# To All Seventh-Grade Science and Math Teachers:

**Nominate your best & brightest seventh grade girls to attend Tech Trek -**

A week-long science, technology, engineering, & mathematics (STEM) camp designed to create interest, excitement, and confidence

in young women. Tech Trek is being held for the second time on the Southwestern Oklahoma State University (SWOSU) campus in Weatherford from **July 13-19, 2014.**

## **A nominated 7<sup>th</sup> grade girl must:**

- Be excited by math or science
- Be motivated to learn
- Have active listening skills
- Have at least a "B" average (is not necessarily the top student)
- (May) Have limited access to programs such as these
- Be likely to benefit from this experience

## **Academically, the student should:**

- Be interested in learning & experiencing new things, especially math or science
- Be able to follow directions
- Show persistence in task completion
- Participate in class discussions
- Work well in group situations & be willing to help other students

## **Personally, the student should:**

- Make positive choices for herself, inside & outside of class
- Demonstrate responsibility, honesty, and accountability
- Exhibit self-control and have no serious discipline issues
- Show respect for & cooperate with teachers & students
- Have a blossoming awareness of self-potential
- Be willing to try new & challenging tasks
