

Register for the 3rd Annual Oklahoma Technology Showcase August 28, 2014

What: Building on last year's success, the 2014 Oklahoma Technology Showcase will feature nine of the state's innovative high-tech companies. Showcase presenters will give a 10 minute high energy talk that highlights their innovative products or services, life lessons learned as they pursued their ambitions and any needs for collaboration or funding they may have going forward. This year's event will include guest speakers from Oklahoma's leading industries and provide ample opportunities to network with inventors, manufacturers, researchers, and leaders in the innovation economy. Breakfast, lunch and a networking reception will be provided.

The 2014 Showcase presenters include MaxQ, Noble Foundation, CRTS, Choctaw Defense, Sensulin, ARL/DNA Solutions, VADovations, Charlesson, and PolySkope.

When: August 28, 2014, 9:00 a.m. to 5:00 p.m. (Agenda coming soon.)

Where: University of Central Oklahoma, Nigh University Center, 100 North University Drive, Edmond, OK, 73034.

Registration: techshowcase14.eventbrite.com
The early bird rate of \$35 is available until August 8.

Hosted by:  UNIVERSITY OF
