

NASA/EPSCoR Travel Grant Solicitation

Eight Travel Grant Awards for faculty researchers to forge collaborations with NASA Center scientists will be awarded. The purpose of this award is to develop possible research projects of benefit to NASA and the State of Oklahoma. Travel Grant Awardees will be expected to develop a Research Initiation Grant Proposal.

Research must fall inline with the Office of Chief Technologist or within the NASA Mission Directorates:

- Aeronautics Research
- Human Exploration and Operations
- Science
- Space Technology

Proposals Due September 16, 2014
