

**U.S. Department of Education  
FY 2019 Minority Science and Engineering Improvement Program  
Grant Competition**

**Application Available:** June 19, 2019

**Application Deadline:** July 19, 2019 at 11:59:59 PM Washington, DC Time

**Purpose:** The Minority Science and Engineering Improvement Program (MSEIP) is designed to effect long-range improvement in science and engineering education at predominately minority institutions and to increase the flow of underrepresented ethnic minorities, particularly minority women, into scientific and technological careers.

**Examples of what MSEIP supports:** student research projects in STEM fields; stipends for eligible college student receiving special tutoring or skills needed to be successful in STEM courses, particularly gate-keeper courses; enhanced curriculum development in STEM fields; renovation of STEM labs/classrooms; pre-college STEM programs for eligible K-12 students/teachers; faculty STEM research projects at federal laboratories. (Eligibility requirements must be met.)

**Authorization:** Title III, Part E, Subpart 1, Secs. 350-365 of the Higher Education Act (HEA) of 1965, as amended

**CFDA Number:** 84.120A

**Program Type:** Discretionary/Competitive Grants

**FY 2019 MSEIP Pre-Application Webinars:** The U.S. Department of Education will hold pre-application meetings via Webinar for prospective applicants. Please complete the registration form to receive the Webinar link.
