see <https://phfcc.ouhsc.edu/Directions>

WHO SHOULD ATTEND?

- ▶ STEM Educators
- ▶ Industry Partners
- ▶ Academic Leaders
- ▶ Training and Development Specialists
- ▶ Workforce Development Partners

WHY ATTEND?

- ▶ **Collaborate:** Connect with peers and industry experts.
- ▶ **Innovate:** Learn how to create impactful micro-credentials tailored to the STEM fields.
- ▶ **Implement:** Walk away with actionable strategies and resources.
- ▶ **Earn a Credential:** Participants will be offered a chance to earn their own digital badge following the event.

WHAT TO EXPECT:

- ▶ **Expert Facilitator:** The event will be led by Dr. Bucky Dodd of ClearKinetic.
- ▶ **In-Person Workshop:** A full day of facilitated discussions, hands-on activities, and peer and expert insights.
- ▶ **Focus:** Strategies and best practices for developing micro-credential programs for STEM occupations.
- ▶ **Participants:** Faculty, industry partners, educational partners, and leaders in the healthcare and education sectors.
- ▶ **Digital Resources:** Access to a comprehensive digital agenda and resource toolkit.
- ▶ **Visualizations:** License for project artifacts created using the ClearKinetic Strategy System™.
