

**COIL Meeting
November 13th, 2015
University of Central Oklahoma
Chambers Library
1:00 – 2:30 pm**

I. Introductions

II. Brainstorming for Next Year

III. Presentation by UCO Librarians on Scavenger-Hunt Type Library Instruction

At UCO, the Art department first requested some scavenger-hunt type library instruction that required their students to use the physical collections more. Since that proved popular, librarians have discovered several other classes that can easily make use of this format, resulting in more interactive instruction and more student familiarity with under-used print sources.

IV. Library Tour

**Last Meeting of 2015:
December 11th @ Main Event Entertainment in Tulsa; 6-8 pm**
