Dear Members of OASFAA,

On behalf of the foster children served by Citizens Caring for Children, thank you for all the backpacks filled with sweats, pajamas and underwear as well as all the monetary donations totaling more than \$3,000. The charitable support of donors like you makes the work we do possible.

The ongoing generosity of your group helps the many foster children who need our Resource Center services. These children are most grateful to receive the new items that you have so graciously collected.

Your heart for helping children who have lost so much including family and possessions enables Citizens Caring for Children to continue fulfilling our mission.....***breaking the cycle of child abuse and neglect one child at a time... because every child deserves the chance for a better life.***
